Crap, I lost...

...!

Scissors loses to rock...

I'm playing against a boy in the car ahead...

Rock-paper-scissors.

What did you lose?

?

I need your help. Here, quick!

This is a fight I can't lose, my honour's riding on this!

I'll count to three. On three, put your hand up.

Rock-paper-scissors, was it?

But, uh...

Two.

One.

Wait...

Three!

We won!

Yeah!

Well...

Two.

Three!

One.

Hmmm...

One more time...

Really?

Twice in a row?

You won again!

Poor thing...

The kid looks sour... Like he had a lemon shoved in his mouth.

Spoken like a proper adult.

I suppose we just did something very childish...

C'mon, rock...

Hurry!

Ah!

ガルン!

Ow, ouch!

You're making fun of me!

By the way, sit in your seat properly.

He's waving us goodbye.

Hehe...

Back at the office, it's all about coin tosses...

Hmmm... Me too, I believe...

A long, long while...

It's been a while since I played Rock-paper-scissors...

In my family...

And "paper" is "napkin"...

"scissors" is "fork"...

..."rock" is "stout cake"...

Really?

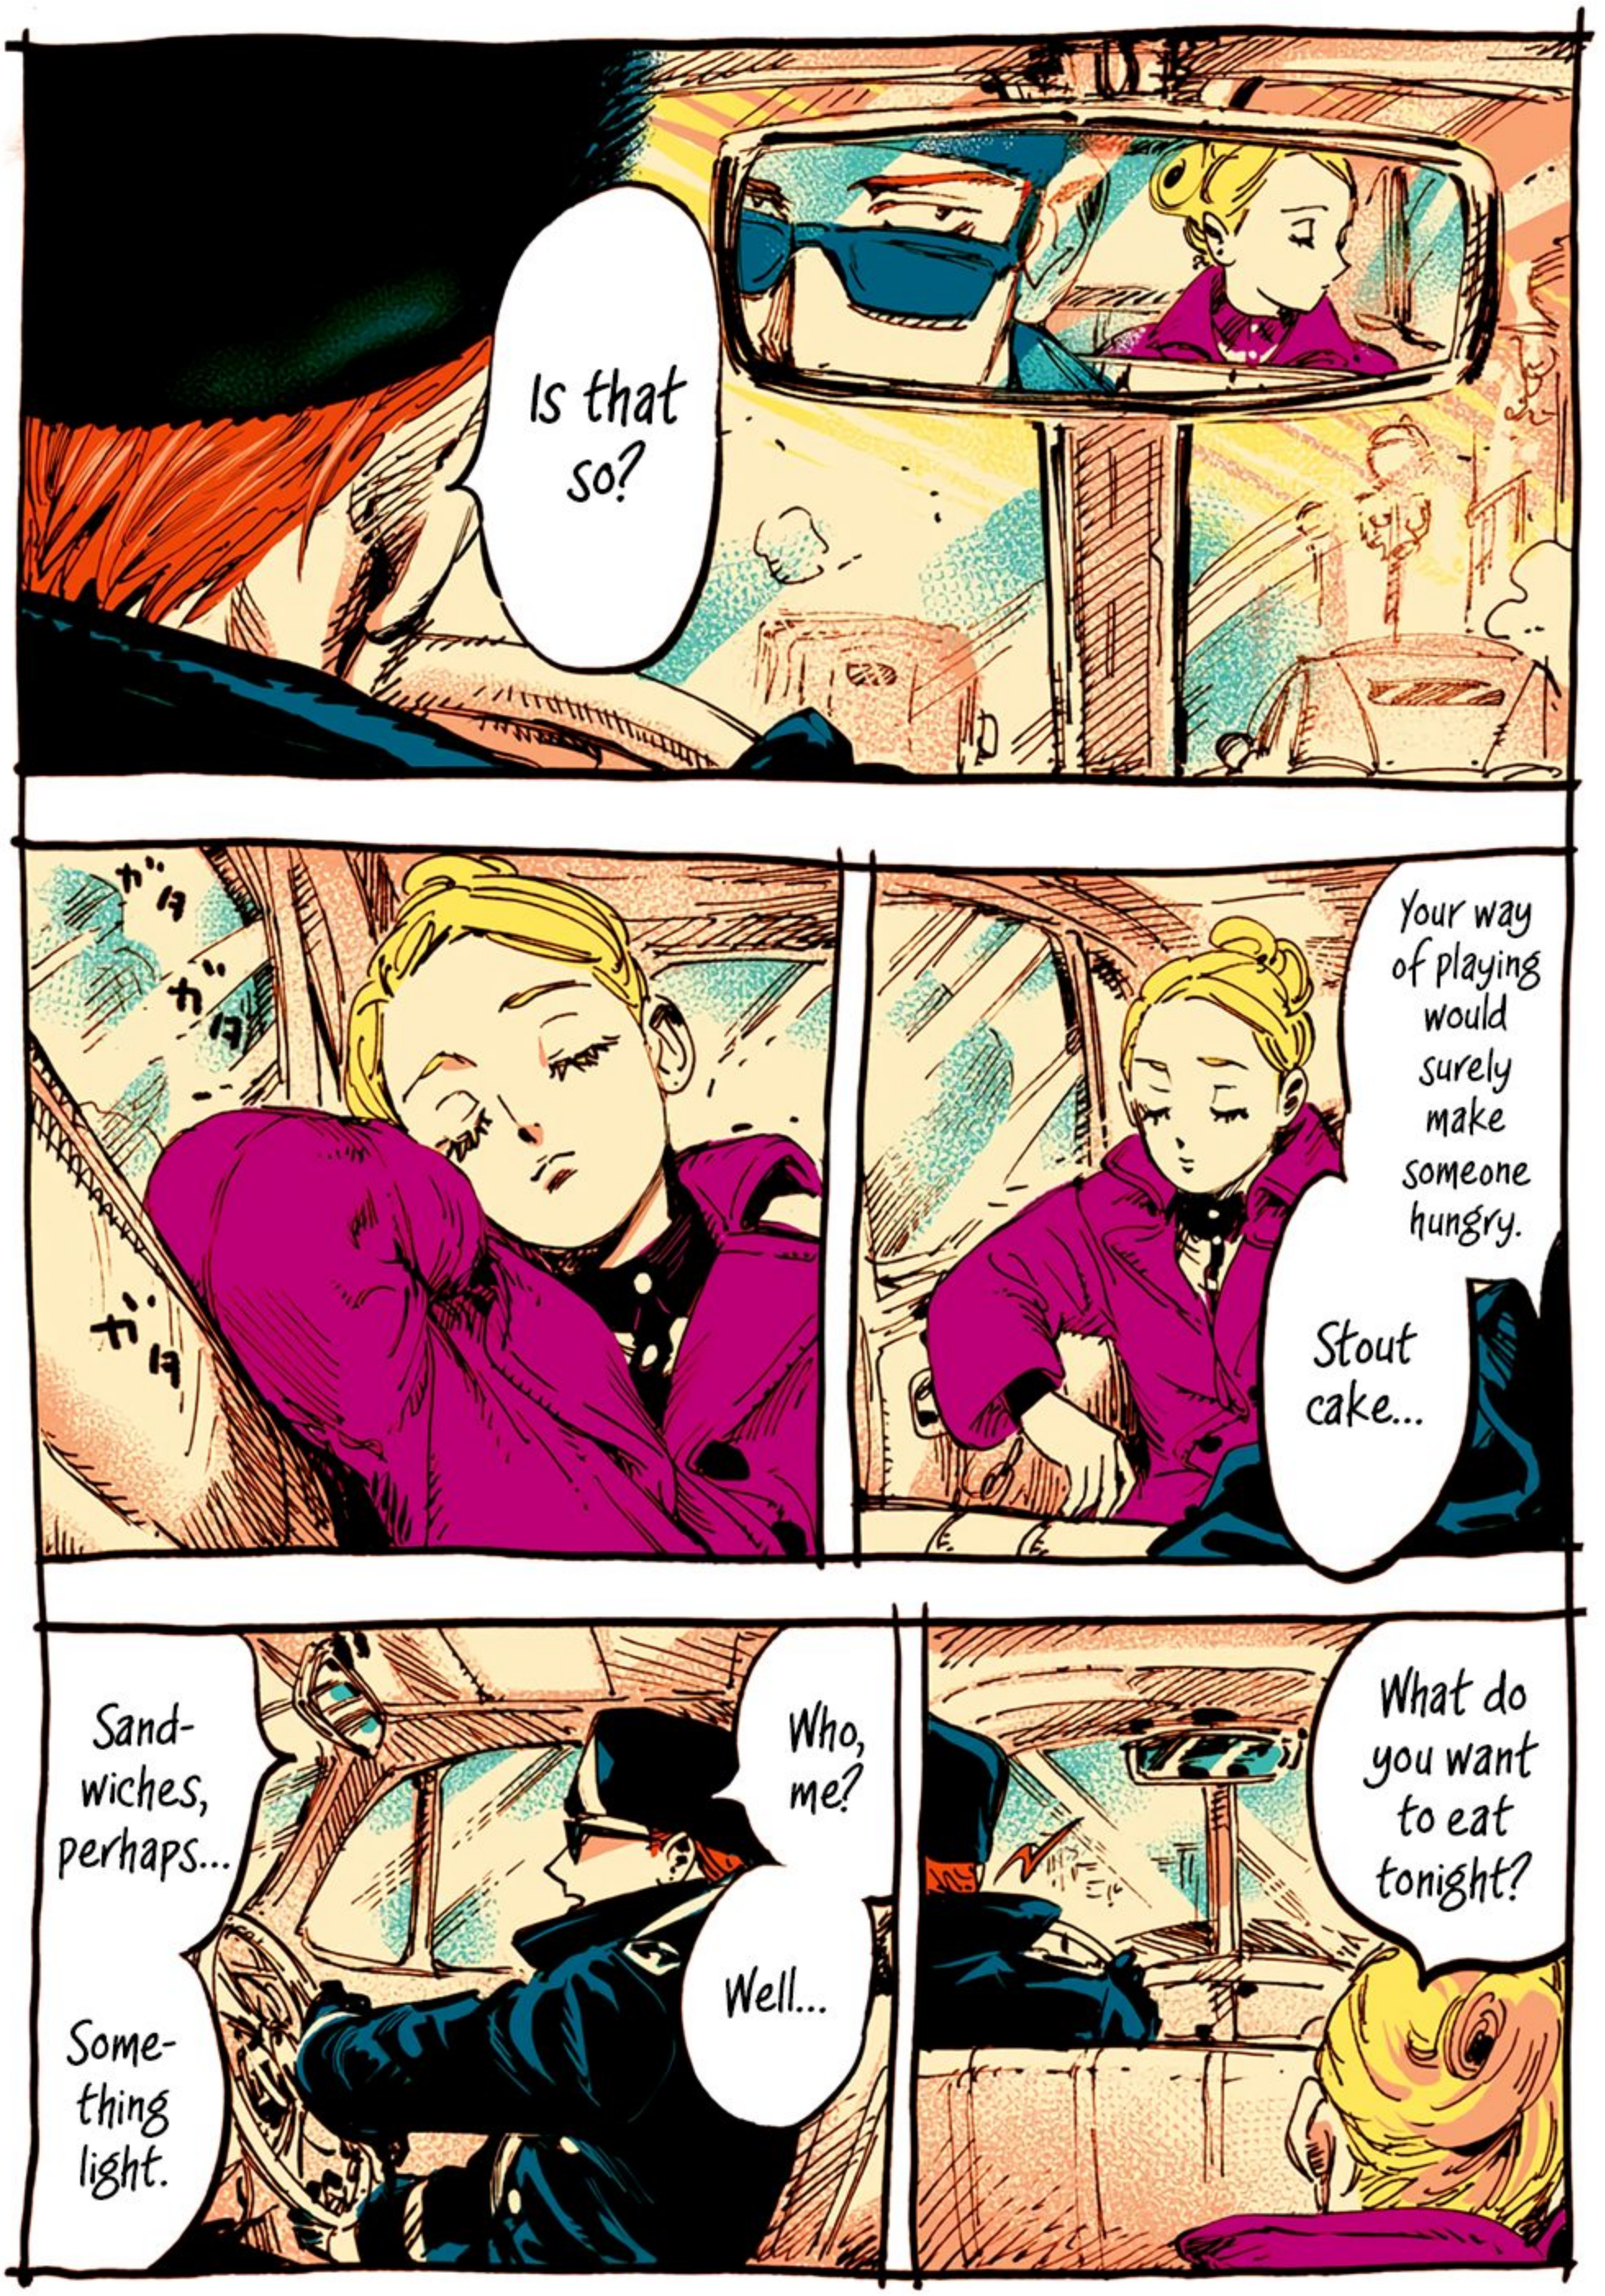
That's special... Original.

And we said aloud...

...what we played.

Though, to be sure...

...I would check my sister's hands.



Is that so?

Your way of playing would surely make someone hungry.
Stout cake...
What do you want to eat tonight?
Who, me?
Well...
Sand-wiches, perhaps...
Some-thing light.

That's an idea...

But getting a seat—

Let's play rock-paper-scissors for it!

I want meat.

Steak.

Excuse me?

If I win, it's steak.

C'mon.

...

Then...

At the next red light.

Alright.
